

THE BIG SING!

Hello, FHS Choir Parents and Students!

I am so pleased to announce that the FHS Choir students have been invited to participate in an event at UT - Austin - The Big Sing! The UT Butler School of Music has designed a day of singing, community, and spirit for high school students from across the state. The day will be filled with rehearsals on three pieces, a recital by current voice students, and performances by the UT Concert Chorale and University Chorus!

This is such an exciting opportunity because students will be given the chance to sing with a large group of other high schoolers, without the pressure of competing. Furthermore, they will get to observe performances by UT choir students. The majority of students in university choirs are young adults who participated in choir in high school. Many times, only a handful are music majors. One of the great things about singing in choir is that it is a skill you carry with you for the rest of your life!

This event is strongly encouraged. If students choose to participate, it will be an excused absence from school.

Students must RSVP in Google Classroom, by Wednesday, September 21 at 5:00 PM.

WHEN? Tuesday, September 27, 9 AM - 7:30 PM

WHERE? University of Texas at Austin
Butler School of Music

WHAT TO BRING?

Wear choir shirt (last year's if our new ones haven't come in)

Water bottle

2 Pencils

Choir Binder & Music for the day
