

TMEA REGION 29 MS CHOIR REGION WORKSHOP INFORMATION

Region Workshop

Sat., November 5, 2022

7:30 AM - 4:30 PM (Bus provided. Meet at back of FMS along College Street)

Voss MS, Boerne ISD

45 Voss Parkway, Boerne

In 7th & 8th Grade, Choir students will have the opportunity to participate in the Region Contest. The Region Contest is a wonderful opportunity for students to grow as independent musicians! Students learn four pieces of music with assistance from Ms. Parks. Two days before the competition, the Region Committee announces which two pieces the students will audition with. Students will perform portions of these two pieces for a group of judges. The audition is a solo audition. The students who rank the highest will be placed in the All Region Choir

However, as 6th Graders, they are not able to participate in the contest.

I would like to open up the Region Workshop as an event they can participate in as 6th Graders! Singing in a large group without the pressure of competing will be a wonderful experience and will also give them a glimpse of what to expect as a Region participant in the future.
